

Towersey Bus Usage Survey – February 2012

Many thanks to members of the Towersey community who wrote regarding the current bus times through the village of Towersey. The Parish Council are in constant contact with Oxfordshire County Council regarding the bus service and how it can be improved for our community.

The Parish Council have decided to ask all the community to complete the questionnaire below and return to one of the two collection points which are in the foyer of St Catherine's Church and on the corner of Windmill Road. **Deadline for returned questionnaires is the 1st March 2012**

Please tick the bus service you CURRENTLY USE and please give us an idea of what times bus service you would use if it were available. Towersey Parish Council cannot promise any changes at the moment but we want to be able to communicate with Oxfordshire County Council in a positive manner and give forward some feasible suggestions for changes.
