

Towersey Lockdown Quiz

Do you know your village?

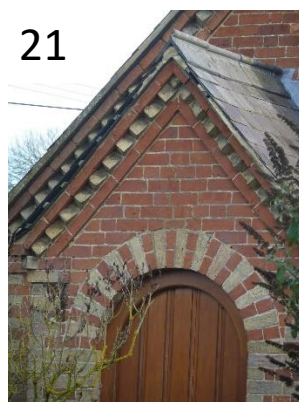

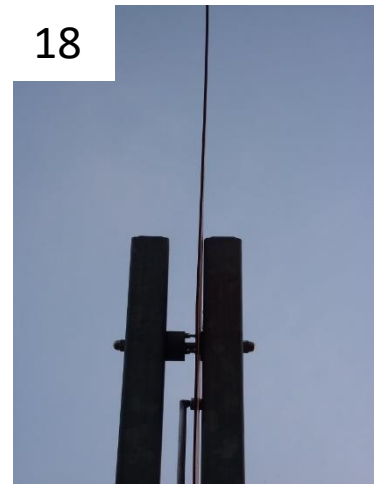

Do you know where these pictures were taken in Towersey? All pictures were taken from public areas and are items which you may pass by without noticing. You just need to look more closely! Get out and look around you!

The competition is in aid of Christmas Lights for the large Christmas Tree just inside the church gates. Its grown too big for its original little string of lights.

Describe the location of each numbered item using the form below; if you cant print the form, there are some spare forms in the Book Shed at the Memorial Villlage Hall. There is also a printed copy of the pictures put up on the door of the shed. Place your completed form in an envelope with £2.00 (or a donation) and put in the box at the Book Shed.

Winners will be announced at the end of Lockdown - December 2nd.
